Moreano World Medical Mission Inc. is a
501c(3) Charitable Organization, and all donations fully tax deductible.

Since 1999, Dr. Moreano has organized and participated in medical missions to Ecuador and the Dominican Republic to provide free reconstructive surgeries to children who are born with deformities or have burns on the face/neck areas. This year he is expanding the mission to Paraguay.

Dr. Moreano is the founder and Director of “Moreano World Medical Mission Inc.” which is a charity organization whose purpose is to provide pro-bono plastic surgery to underprivileged children of Latin and South America.
